

Year One Geography Objectives

Use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map

Name, locate and identify characteristics of the 4 countries and capital cities of the United Kingdom and its surrounding seas

Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

Use basic geographical vocabulary to refer to:

key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather

Year One went on a trip to practise their compass skills, and used locational and directional language to guide each other to Letcombe Brook!
