

# Learning Objective

We are learning the difference between human and physical features.

## KL: Human and Physical Features

Today we are...

# Geographers!

Geography is the study of the shape and features of the Earth's surface, including countries, vegetation, climates and how humans use the world's resources.

## Geographers can:

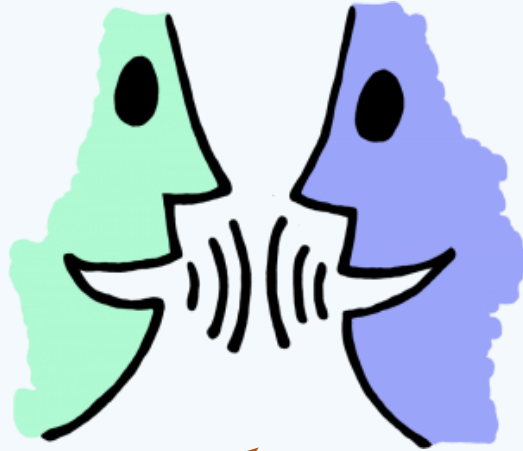

- Learn to help protect the world
- Understand the differences between people across the world
- Help plan how and where people live

# Human and physical features

**TTYP:**

1. Do you know what 'human' and physical' mean?
2. Can you think of any human and physical features?

# Vocabulary

**Human**

*Made by humans*

**Physical**

*Natural things (which have not been made by humans)*

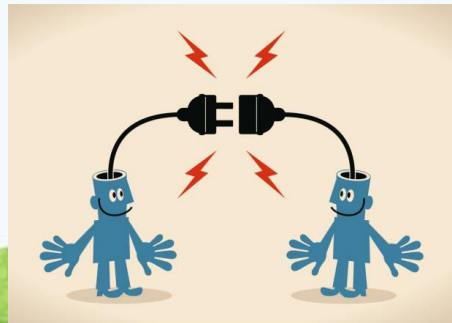

# Why are we learning this?

What connections does this have with other lessons and previous lessons?

# Geography!

## Villages, Towns and Cities

1. Human and physical features

2. Finding the features of Grove

3. What are villages like?

6. Where would I like to live?

5. What are cities like?

4. What are towns like?

### Our outcome:

We will explain where we would like to live and give reasons why we would prefer to live there to other types of settlement.

# Human Features

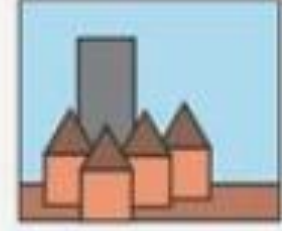

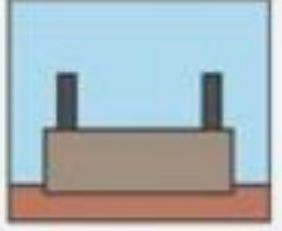

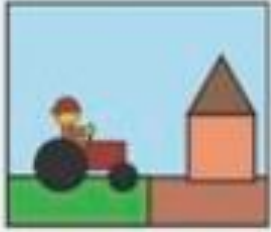

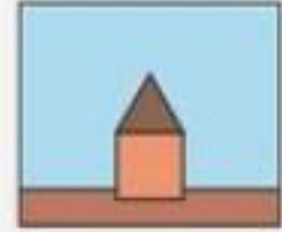

Around the world there are many things that humans have built.

We call these human features.

Human Features

PlanBee 

 <p>city</p>	 <p>town</p>	 <p>village</p>	 <p>factory</p>
 <p>farm</p>	 <p>house</p>	 <p>harbour</p>	 <p>port</p>

house

shop

office

# factory

# Football stadium

'And it's Arsenal 4, Fulham 0!'

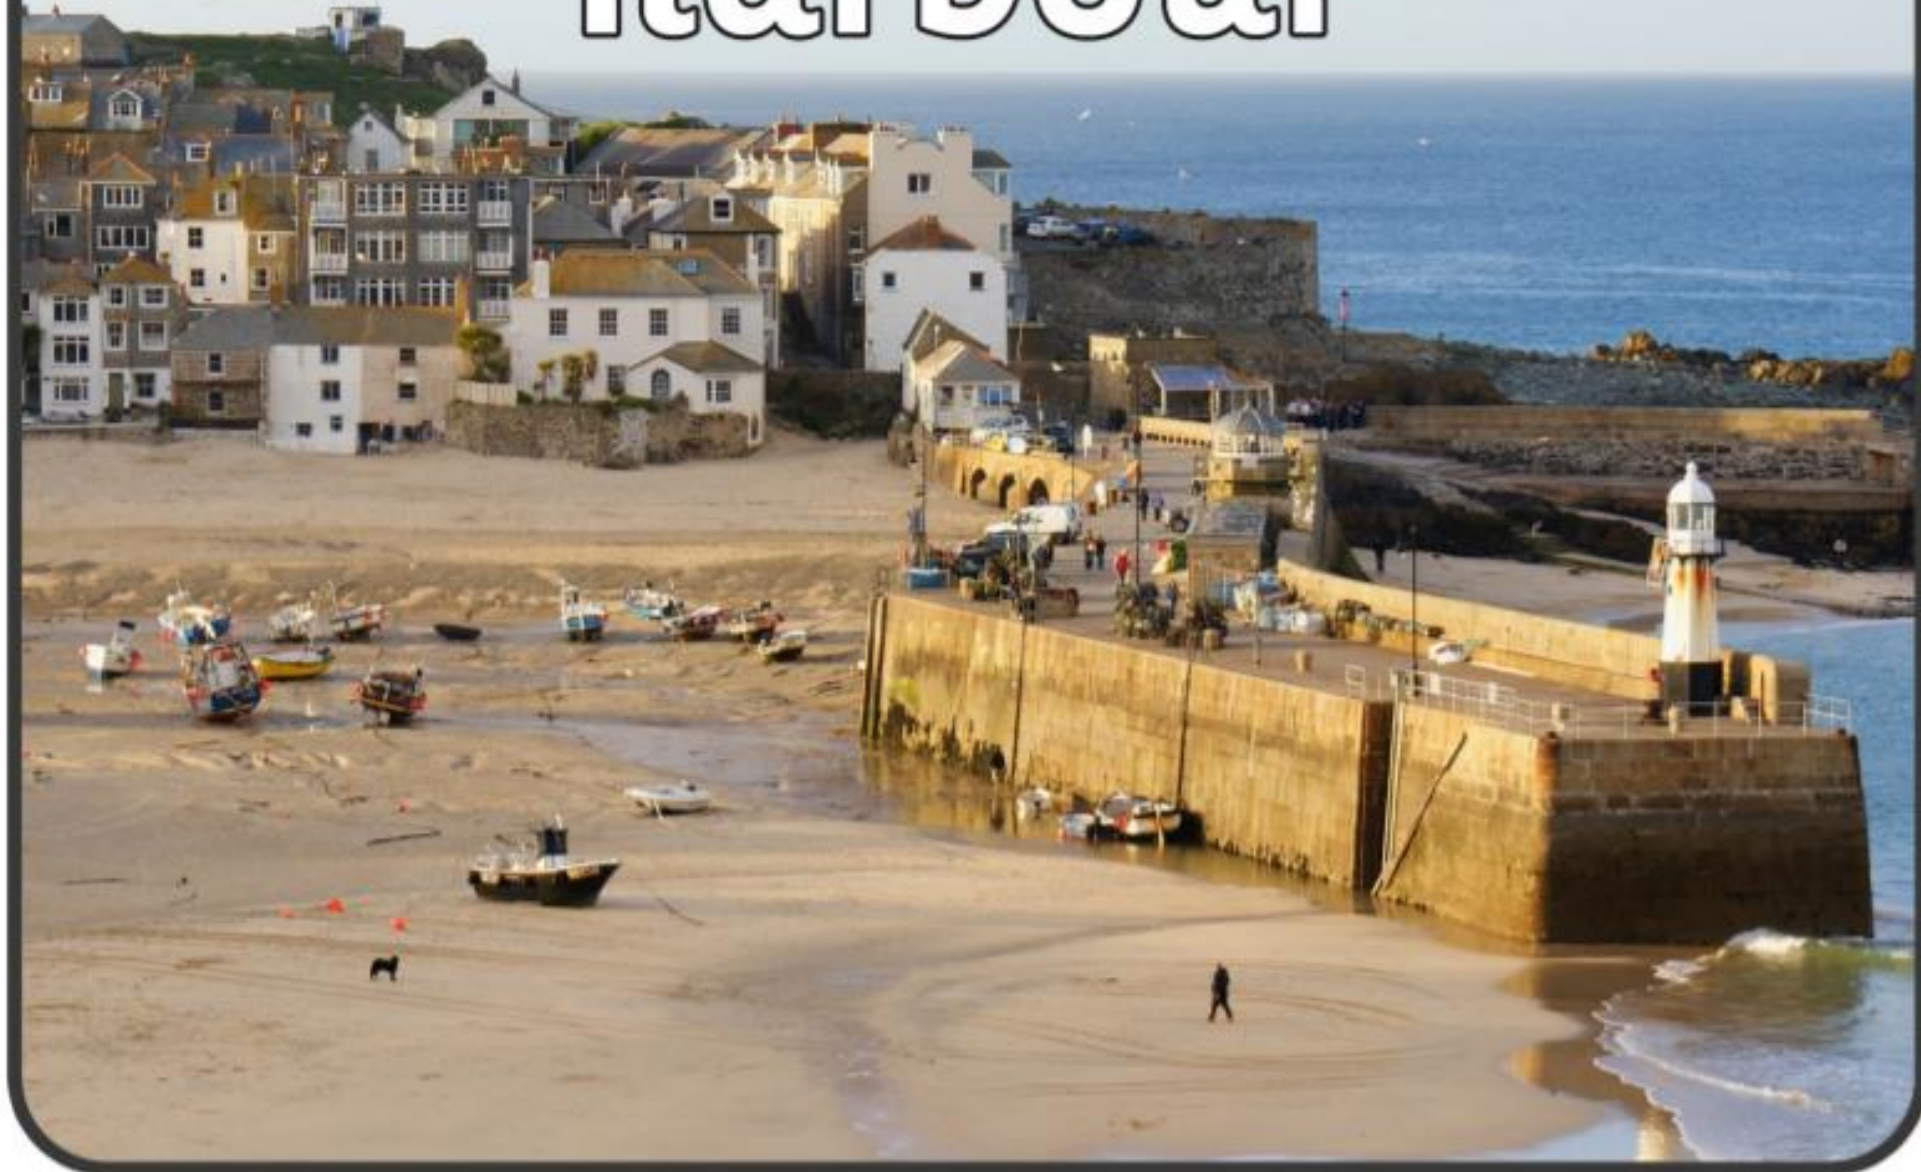

# port

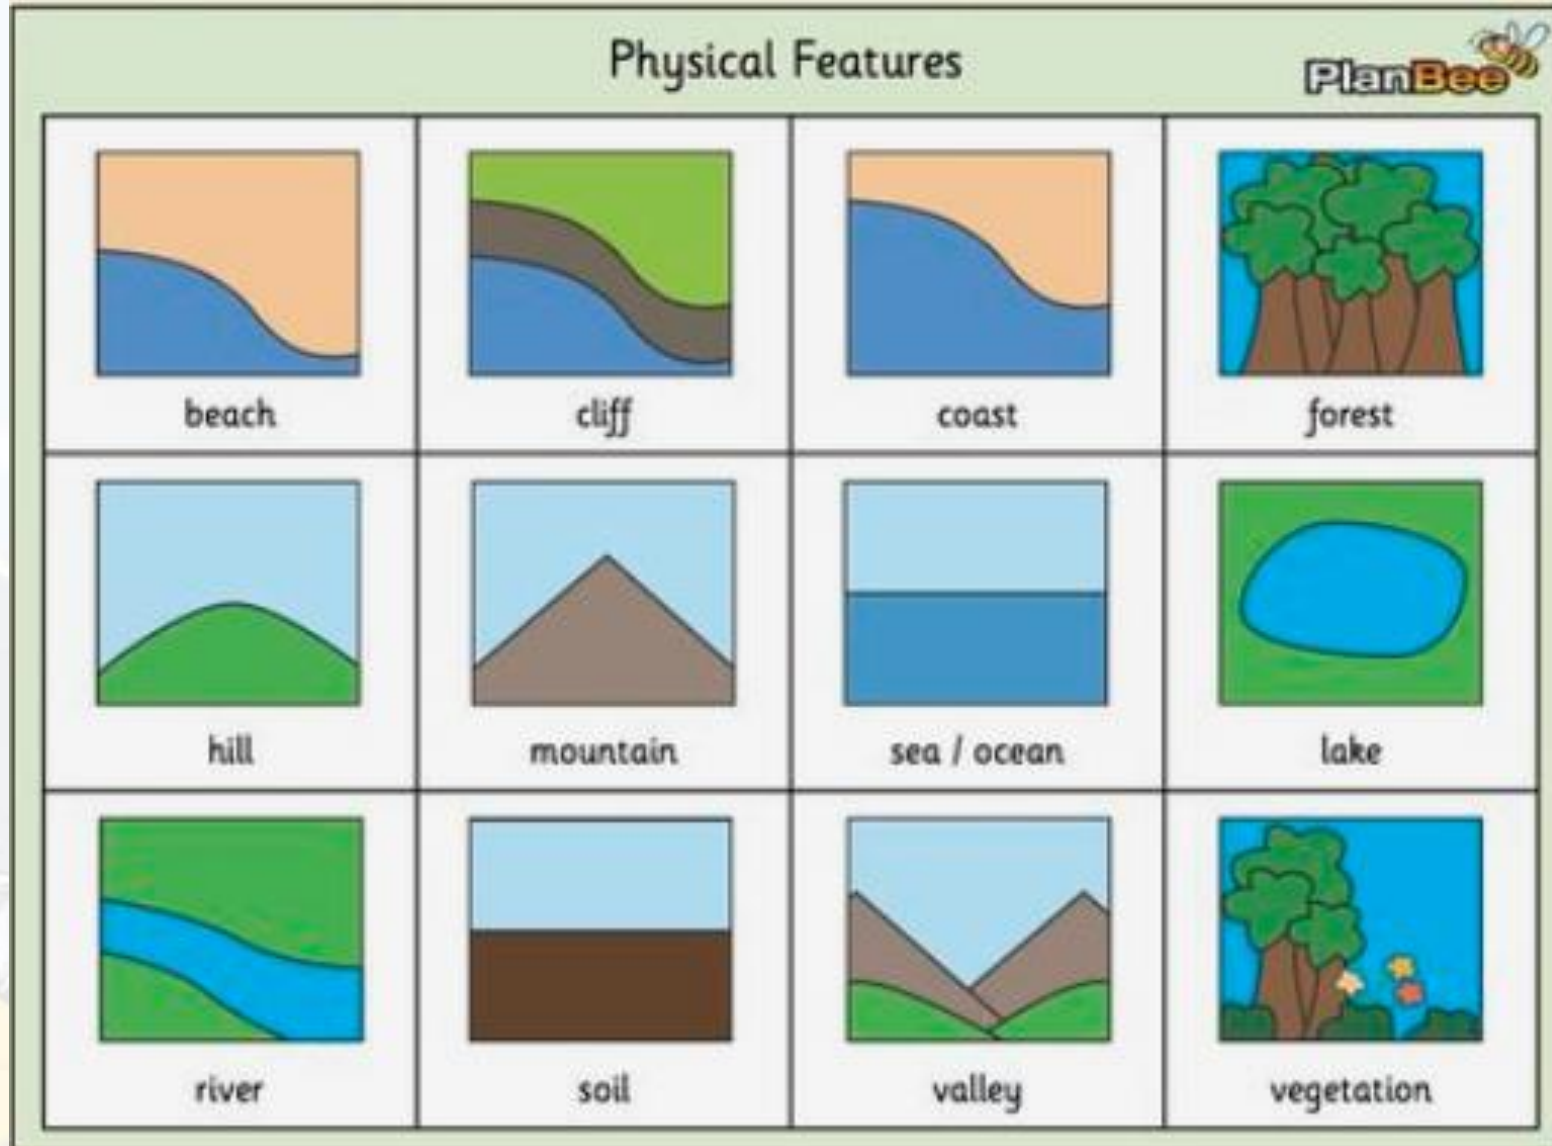

# harbour

# Physical Features

The world is full of features that have been created by nature.

We call these physical features.

beach

cliff

forest

river

hills

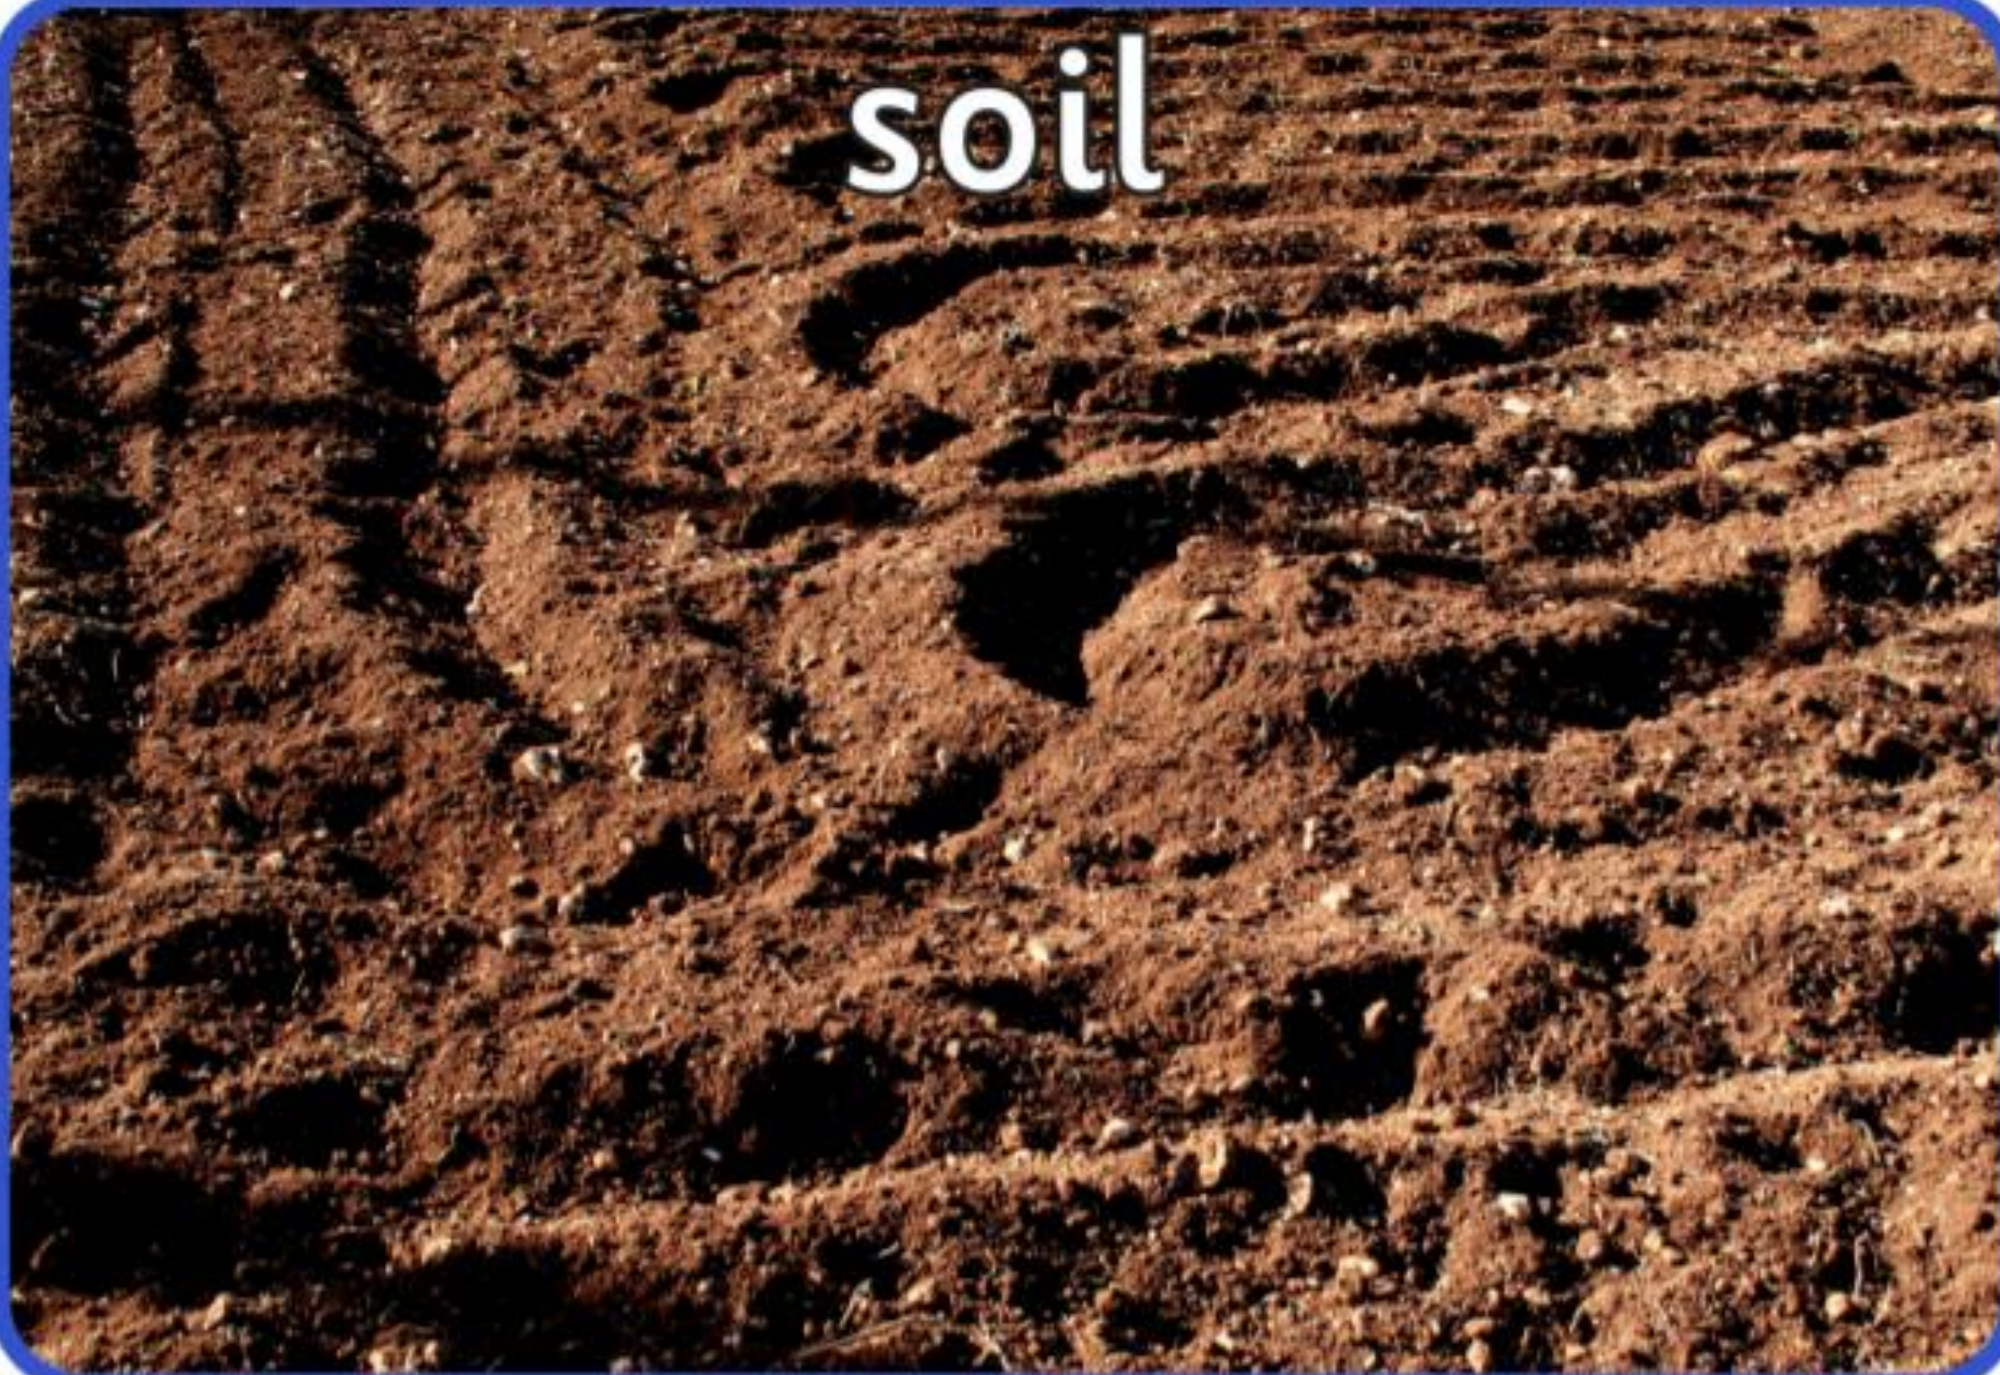

mountain

soil

# vegetation

# Your Task:

Cut out these geographical features and stick them in the table under 'human' or 'physical'.

## Challenge:

1. Can you think of your own human and physical features? Draw a picture of them and label them in the table.
2. Are there any geographical features which you think are both human AND physical. Write it down and explain why you think that!

factory

beach

hills

farm

city

port

seasons

vegetation

village

house

soil

weather

ocean

forest

town

valley

cliff

office

river

shop

coastline

mountain
