

## Millbrook Curriculum Map 2017-18

“The appetite and zest of learning of children in their primary years is unrivalled” (Rose 2008) so at Millbrook we have designed a curriculum that inspires, motivates and engenders a true love of learning. Based on the recommendations set out in the Rose Review, Millbrook’s curriculum is built around 6 key drivers: English, Maths, Science, PSHE, Art and Design and Physical. Whilst the themes for the term are anchored in one of the six drivers, the children experience a broad and balanced curriculum, with skills from all subjects being taught each term.
