

Home learning Term 3 - Somebody call 999!

Similarly to last term, this term you are going to be able to choose your homework! We expect you to do **one piece a week** and to bring it in on a **Tuesday** to share with us. All of the tasks link to our topic 'Somebody call 999!' and require you to use different skills. Please tick off and date when you have completed a task (there are more than you will need). We are expecting 5 pieces of homework to have been completed by the end of term (but of course you can do more!) The first is due in on **Tuesday 9th January**. Maths is included on this choice menu so please make sure at least one of the home learning tasks you choose is a maths based one. (blue box).

Junk Modelling!

In our Geography lessons, we are going to be learning lots about the city London. Can you make a famous London city landmark out of junk modelling to display in our shared area?

[] Date _____

Weighing and Measuring!

This term we are going to be doing lots of baking so we need to know how to use scales correctly. At home, choose some items and weigh them. Draw them in your book and write how much they weigh.

[] Date _____

Diary Writing

Over the weekend, write a diary about what you did, where you went and with who. Bring it in to share it with us all. You may choose to draw a picture to accompany your writing.

[] Date _____

Apron Design

Thomas Farriner was the royal baker. Could you design an apron that is suitable for a royal baker.

[] Date _____

Baking, 1666 style!

In cooking, we are going to be making some bread using the 1666 recipe! Can you make something at home that people would have enjoyed eating during this time period? Remember to take some photos of you cooking!

[] Date _____

Pic Collage—Did you know...

Last term we used this app on the iPads and made some lovely posters! Can you make a factual poster all about The Great Fire of London?

[] Date _____

Fractions 1/2 and 1/4

This term in Maths, we are going to start the term learning about fractions. Can you design a game to help us learn about halves and quarters?

[] Date _____

Telling the Time

Can you keep a record of what time you do different things (for example breakfast, dinner, bed time etc). Draw the times on to a clock face and write the time in words.

[] Date _____

Fire fighters—Who are they?

We are going to be writing a non-fiction piece about Samuel Pepys. During the Great Fire of London, there were no fire fighters. Can you write a non-fiction piece about a fire fighter including key facts about what their job entails.

[] Date _____

London—where did the fire spread?

Go on a family outing to London. Walk the streets of where the fire spread to learn more about this time period. Take photos of your day trip to bring into school to share with us.

[] Date _____

Character Description

We are going to be learning a story based on TGFOL. Choose a person from this story and create a character description. Draw a picture of them and write a few sentences about them.

[] Date _____

Fire Safety

Fire is very, very dangerous! Create a poster explaining the do's and don'ts that we can share with other children in the school to make sure everyone is kept safe around fire.

[] Date _____
